Sunset Center, Legacy Hall

“Step into a world of brilliance at the 'Shine for Autism' Emerald Gala, presented by Brayden's Gift, a non-profit in Amarillo, Texas dedicated to supporting local children with autism. This unique event combines the enchanting world of jewelry with the boundless creativity of these remarkable kids. You can admire, bid on, or purchase art, hand made by one of these special kids. And that's just the beginning – our gala also features stunning jewelry and the shimmering allure of emeralds, creating a night of unparalleled radiance. Join us in celebrating the splendor of jewelry and the luminosity of these young artists. It's an evening designed to 'Shine for Autism,' where your presence adds a touch of sparkle to both our event and the cause it supports.”
